## Rocky Mountain District – Club Strengthening Growth Plan

Actions: Invite members with intent and connection

Goal: Thrive and be healthy - Clubs reach charter strength/Net Gain

Major key points

### STEP 1:

Strategically identify 24 people (create list in September)

Involve as many club members as possible in the process

Reach beyond family/friends – already have a relationship with us

Have a connection to the club/mission/children/service

No cold calling during this process

### STEP 2:

Identify two club members to reach out to prospects each month

Work in pairs to strategize – frontload best lead generator

Script activity – your one-minute speech

Why my club?

What's our community impact?

How do we make an impact?

### STEP 3:

Outreach – two-step process

Make a connection/intro by thanking and telling about the impact their gift/service/experience/advocacy has in relation to your club/children/community

Schedule an in-person meeting to go into more detail

What makes our club and Kiwanis so special? (One minute speech)

Ask and answer questions

Know your club dues structure

### STEP 4:

Invite and Follow Up, Follow Up, Follow Up

Invite to a club service project or meeting

Give a reminder call prior to club meeting or service project they'll be attending

Secure answers to questions and call them back

Send a handwritten note of thanks – using touchpoints specific to this prospect

Start including them in your newsletter distribution

Reach out with activities that would be meaningful to them

Ask them to join your amazing Kiwanis club!

## VOLUNTEER

*Look for more volunteer opportunities. We will be announcing more opportunities soon. Please let us know if you have suggestions.*

### Trick or Treating with South Elementary School

South Elementary School planned a Halloween Trick or Treat night for the elementary kids.

Bill Bragg and Dennis Magyar set up a table and handed out books and candy. There were about 150 to 200 kids and we gave away all of the books. It was a great time to say hi to the K-Kids and BUGS students we have not seen for over a year. We hope to be allowed back into the schools soon.

### Castle Rock Senior Center

Volunteer Opportunities at the Castle Rock Senior Activity Center (CRSAC)  
The Castle Rock Senior Activity Center (CRSAC) is a community gathering place located at 2323 Woodlands Boulevard in Castle Rock where active older adults (50+) laugh and learn, find information and focus on their complete health.

The CRSAC volunteers are needed in these areas: drivers for our transportation, Meals on Wheels deliveries and our hot meal service program through Volunteers of America.

If you would like more details or to apply as a volunteer, visit our website: <https://www.castlerockseniorcenter.org/>. Volunteer details and our applications can be found there.
